

CALGAZ™

For nearly 40 years the Calgaz brand has been synonymous with unsurpassed quality, reliability and service.

Our Passion for quality is demonstrated in every product we ship. This commitment is what sets us apart from any other calibration gas provider.

Calgaz remains the industry leader because our customers continue to have complete confidence in the accuracy and reliability of our calibration products.

If it's important to our customers, it's important to us.

EXCELLENCE IN QUALITY AND SERVICE

Coming Soon: Calgaz Plus, Returnable Cylinders

Creative Oxygen

58 Liters

14 ¼" x 3 ½" /

362 mm x 89 mm

1.6lb / 0.73 kg

CALGAZ™

As the most experienced calibration gas provider in the industry, we provide quality mixtures used for testing in oil refineries, power stations, food manufacturing, chemical companies, heavy manufacturing, sewage plants, water companies, telecommunications, construction, and the marine industry.

103 Liters

13 7/8" x 3 ¼" /

352 mm x 83mm

3lb / 1.4 kg

CALGAZ PLUS

Coming Soon – Returnable Cylinders

Calgaz Plus provides an efficient solution to our customers who are eager for returnable cylinders. The Calgaz Plus returnable cylinder program is good for you – and it's good for the environment.

116 Liters

15" x 3 ½" /

381 mm x 89 mm

2.25lb / 1.02 kg

The Calgaz Plus 60 and the Calgaz Plus 116 have the benefit of being nearly the same size as our existing Calgaz 34 and Calgaz 58 cylinders, but they hold almost twice the volume.

This means fewer cylinder changeovers and reduces the cost of instrument calibration.

The benefit to the environment of Calgaz Plus cylinders is obvious.

It means fewer cylinders in landfills!
